Final 2018 Season Newsletter

Post-State Championships, May 19th

## MSHSL State Championship

On May 19th, we competed at the Minnesota State High School League (MSHSL) State Robotics Championship at Mariucci Arena on the U of M campus. We won *top honors* with an award for Outstanding Engineering and Design! (*More Inside!*)

# STATE CHAMPIONSHIP

This is the Lightning Turtles' first invite and visit to the state championship! We had a great time and it was a perfect ending to the season!

The Outstanding Engineering and Design Award (sponsored by Dunwoody College) came with a \$500 check to get us started for next year and accompanied our 27th place finish out of 215 Minnesota teams.

# ISD 197 SCHOOL BOARD RECOGNITION

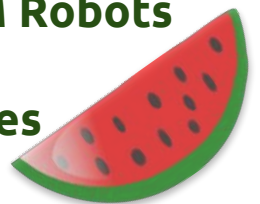

Our School Board invited the Lightning Turtles to their June 4th meeting to recognize our performance this season and ask a few questions. We ended with a team photo (above). Thanks Superintendent Olson-Skog and Principal Monson as well as all the School Board Members and our Mentors.

**We are very thankful for this recognition!**

## SUMMERY of Plans for the 3100 Lightning Turtles --

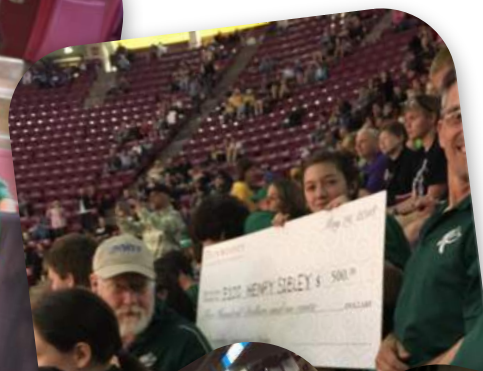

- 
- Teach Computer Aided Design (CAD) to all team members
  - Teach & refine fabrication skills with many members of the team
  - BUILD a Show Bot (by August)! Current top choice - multi-barrel t-shirt cannon!
  - Participate in the Mendota July 4th Parade and 3M Robots Invade the Plaza in August
  - Create winning recruiting and fundraising strategies
